Once you register, you will be returned to the Invoice screen, which will show your total balance.

Notes about registering:

1. Ideally, the county agent would gather all registrations for each club in the county and then be responsible for registering all students at once. The individual clubs can each make a check to “Clay Ewell Educational Services” and you could submit all checks along with the invoice directly to Judging card.
Address payment to :
Clay Ewell Educational Services
PO Box 15924
College Station, TX 77841-5125
2. If you decide to release your county code and password to leaders/coaches in the county, be sure to have each club leader/coach be responsible for submitting their portion of the payment directly to judgingcard. Since 4-H now uses judgingcard for several state contests, it is important that each county is responsible for paying their charges in timely manner.
3. Although I have not seen any issues with stealing passwords among the ag teachers, I would recommend changing your county password after you login.
